Requirements for Graduation:

- "Apply to Graduate" for the correct semester in [Enroll & Pay](#) (if you applied for a previous semester, you must re-apply in E&P)
- Schedule your final examination or presentation with your program or department at least two-three weeks in advance (exams should take place prior to the graduation deadline)
- Update and submit your Plan of Study (PoS) for final approval at: <http://gradplan.engr.ku.edu/>. Please make sure all classes that count towards your degree are included and correct. Note: the PoS is not a requirement for Engineering Management students. Do not include coursework with a grade of "C- or below" as meeting graduate degree requirements. If you have any incomplete (I) or waiting grades (WG) from previous semesters, please contact your instructor or department assistant to get those changed.
- Complete and return the [Engineering Career Center MS or PhD Graduation Report form](#) to your departmental office or email to aparadis@ku.edu and copy department.
- Successfully pass your final examination or presentation with (circle one): Satisfactory / Honors
